

Your students can apply for scholarships from USA Funds

We are pleased to advise you that USA Funds[®] now is accepting applications for a total of \$3 million in scholarships to assist college students who demonstrate financial need.

USA Funds will award renewable USA Funds Access to Education Scholarships[®] to qualified students nationwide for the 2005-2006 academic year.

The program offers \$1,500 scholarships to qualified full-time undergraduate, graduate and professional students and \$750 scholarships to qualified half-time undergraduates. Applicants for the scholarships must be enrolled or plan to enroll in coursework at an accredited two- or four-year college, university or vocational/technical school beginning with the fall 2005 term through Feb. 1, 2006.

By offering these scholarships, USA Funds is helping to reduce the financial barriers that prevent many lower-income students from pursuing higher education and working to close the gap between college-going rates of lower-income students and their classmates from higher-income families.

The application deadline is **March 15, 2005**.

We encourage you to advise your students of this scholarship opportunity.
