X	Other: Developmental, functioning		
<p>► Describe the Assessment Program: Administer test battery as mutually agreed upon with supervisor, score and interpret results, complete test reports, present report and results to patient/client, participate in supervision/training for assessment/testing.</p>			

VI. TRAINING/SUPERVISION PHILOSOPHY and OBJECTIVES: A. Please describe below.

CCDC's objective is to clinically train students in a multi-cultural setting. CCDC is committed to the principle that mental health services shall be located within the community and easily accessible to the residents. These services shall also be provided by qualified staff who respect the traditions, cultures and beliefs of each client. The clinic makes a special effort to offer experienced staff who are competent in the representative languages and backgrounds of the local residents. As the Chinese population is the predominant ethno-linguistic group in the Chinatown area, the clinic takes pride in our largely bilingual, bicultural Cantonese-speaking professional staff.

B. Supervisor Licenses: Please note the number of supervisors with the following licenses.

2	*Licensed Psychologists (PsyD/PhD/EdD)	2	MFT
2	*Psychiatrists	7	LCSW
	Other:		

**Note:* Primary Supervisor must be a licensed provider at the doctoral level of training. Primary Supervisor may be individual or group supervisor & must sign or co-sign evaluation forms for students.
